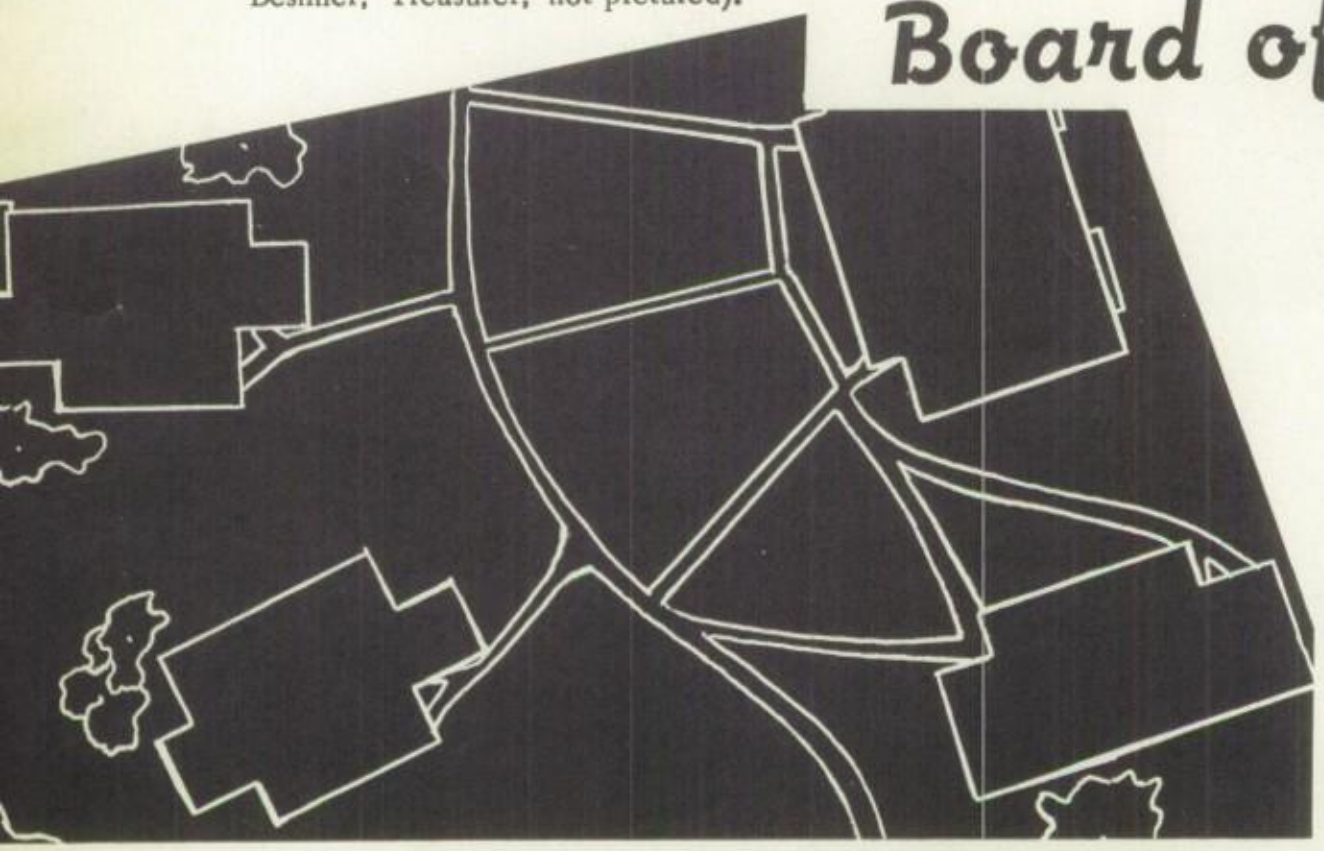
Board of Education



A campus-style Junior High School is being added to our school system to meet the demand for more classroom space and to facilitate a more modern program of instruction.

The need for school expansion in Newton has been felt for many years, but previously the need has been met on the elementary level. Thus, as our community continues to grow, our school system must also expand to meet the needs of our youth.

As our senior year comes to an end, we can look back and view our accomplishments in high school. As sophomores, just beginning our high school days, everything was new to us and we looked toward the upper-classmen for leadership. But as our junior year approached, we began to realize the responsibilities that would soon be ours. We shall always remember our Junior Play, "Annie" and the Junior-Senior Reception. But most memorable to us is, this, our senior year. Now we have become the leaders of the school. From our Senior Play, our school sports, and Senior Events, we have gathered memories which we shall treasure forever.

The Student Council is perhaps the most important student organization in the school. This year under the able leadership of Ruth Nichol, many new ideas were promoted in the activities of the school. Among these were the Winter Dance, the writing of the school alma mater, Student Handbook of 1957-1958, and an assembly almost every Friday.

The Student Council has done an outstanding job in representing and carrying out the will of the students.

Y-Teens

Each year Newton high extends an opportunity to every girl to join Y-Teens. This organization not only benefits the girls religious training but also performs many services, which include making paper bags for hospital, fixing T.B. envelopes, decorating the bulletin board, giving money and food to the needy and other services.

Hi-Y

As the girls of Newton high have benefited from Y-Teens, so the boys benefit from Hi-Y. Some of the many services of the Hi-Y include $10 each to the Heart Fund, Red Cross, Salvation Army, Care, Cancer, March of Dimes, T.B., Muscular Distrophy, Crop, and the Hungarian Relief Fund. Also, $25 is given to social Welfare at Christmas.

Services around school include helping with the concession stand at football and decorating the school for holidays.

The members of the organization, which is one of the oldest in the school, gain not only by reading, but also from Mrs. McBeth's excellent interpretations.

Art Club

Under the direction of Miss Marie Orr, the Art Club visited various art exhibits, and students displayed their work in a spring exhibit. Art club members gain a greater appreciation of all types of art, and gather information to improve their own creations. Miss Orr offered personal help to members of the art group who wished to improve their technique and gain versitality in all types of artistic work.

Dear Ivan

I'm glad you saved this page just for me because I have a lot I want to say. Ha! First, I want to say I'm sorry for all the times I made you mad but I just couldn't helps it (as you always say) Second, I want to remind you to remember me and all the <u>good?</u> things about me. Third, I am looking forward to this summer and all those lovely evenings I'll get to spend with you. (I hope)

I want to wish you the best in everything you do because I think your a swell guy, and I've enjoyed going with you a lot this past year. I hope you and Theron have a real wild time together this summer, but don't forget to come see me sometimes. I really don't think you'll be good boys just because you're going steady with LaJune and I, but lets hope so.

I also want to wish you the best at the track meet Friday. I hope you break the school record this time. That offer still stands although you didn't break it last ~~time~~.

Remember the good times we had last summer, all the stupid things we did together, and forgot all of those stupid little squabbles we had. Maybe we can find some more duck ponds or give some more rabbits, you run over, the proper burial, or some other stupid things again this summer.

Well I hope you can read this here message I'm writing because if you can't it will be a waste of my precious time.

I hope everything comes out right for you in everything you do, and that your every venture in life brings you closer to success. I'm sure you can be great at what ever you choose to do in life because you have the will and ability to keep fighting through all difficulties

Lots of Luck from an admirer of a great guy and one person with lots of <u>persistance</u>. See ya! Just one more thing, <u>Remember Me</u>.

P.S. Still yours through war and peace.

Love and kisses,
"Shorty"

Cheerleaders

Performing two very important services in Newton High School are the Cheerleaders and Usherettes.

This year instead of six regular cheerleaders and two alternates, there are eight regulars, and, as in past years, they have done a fine job representing our school and leading the student body in cheers and yells.

The Usherettes, who are chosen when they are juniors on the basis of poise and ability to meet the public, have worked hard all year giving information and seating the public at games, plays, and other public events.

CLOCKWISE: Jannie Decker, Dave Draper, Bev Okerberg, Kirk Cottingham, Judy Nordstrom, John Stineman, Pat Speir, Bruce Hackett.

Orchestra and Band

The Newton high orchestra and band make up a vital part of our Music Department. Some of the activities of this group are playing before and between the acts of school plays and at games and marching at the State Fair. This year the orchestra played at the Christmas Program which was presented by the Music, Dramatic, and Art Departments. Both the band and orchestra journeyed to Salina and Lindsborg in early spring for concerts.

MR. E.S. SANDERSON

Chorus and Glee Club

The chorus and glee club under the direction of Miss Elvera Voth have made many appearances at various clubs and grade schools and at the annual Christmas and Spring Festival programs. Along with their regular class work they have committed to memory a complete Mass in Latin, and have learned songs in Spanish, German and French.

A new part of the vocal music program is an extensive study of orchestration by use of a hi-fi set.

"The Curious Savage," a warm-hearted comedy, was chosen as the senior play this year. It was well-received by the audience and was the first production directed by Miss Kathleen Shields at Newton high.

Jannie Decker, "Annie," tries to persuade Dave Draper, "Frank," that "Falling in Love is Wonderful."

Football

The 1956 Ark Valley football season was a give-and-take affair, with Newton at the mercy of fate. According to Coach Fischer, the Railer eleven won games they should have lost, taking everything into consideration, and lost games they should have won.

Several of the games that were lost proved heart-breaking to the Black and Gold, as the opposing team, often acquiring a strong lead in the first half, watched the strong-spirited Railers go as far as even tying it up in the last quarter.

Down through the years, Newton has never had a team that lacks the necessary spirit and willingness to fight, and this year was no exception.

Basketball

A successful season was climaxed for the basketball players, March 9, when they were defeated by Wichita East Blue Aces in the finals of the regional tournament.

The predictionists at the beginning of the season said Newton would be lucky if it won half of its games, but the Railers, too proud to go down in defeat, and too loyal to let down Newton rooters, boasted at the end of the season a 14 won, 7 lost record, a record that any fighting team such as that of the 56-67 squad, co-champions of the valley, would be proud of.

Complete team work, deadly accuracy from the field, and a short hustling defensive team accounted for the successful season.

Baseball

Hard work, sore arms and many practice sessions in cold, undesirable weather couldn't stop the hardy baseball players from N.H.S.

The team started out with only four returning lettermen but with aid of several underclassmen and a lot of fine coaching by Clifford Yarnell and Walter Willis, the team had compiled by the end of the season, a record of which the boys and coaches were very proud.

Lonely Locker

Startled by numbing silence,
I peer down lonely halls.
My mates seem unaware
That gone is ringing laughter.
Where are the lads and lasses
Whose confidants we were?
I cherish my little mementos,
These mute farewells of Seniors,
Who left for a wider world.
